**Commissioner for Patents**

1. The reply filed on 07/21/2008 is not fully responsive to the prior Office Action because: The claims submitted contain numerous errors. Claims 3 and 7-11 have been amended to revert the amendments filed 09/13/2007 without having been marked; claims 73 and 74 are amended with respect to the claims filed 04/04/2008; and claims 78, 79, 82, and 84 are presented with respect to the claims filed 04/30/2008. As examiner is unable to determine all the amendments presented, applicant is **REQUIRED** to mark all changes in the claims from the set of claims filed 09/13/2007, which were the last set acted upon by the office. All claims **MUST** be reviewed for errors in status and markings relative to the claims filed 09/13/2007. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
